

Girls' Kwik Cricket Competition

On 24th May nine Year 5 girls went to Fairfield Park cricket ground to play five games of kwik cricket. There were 16 schools and we split into 4 pools (groups). We were a bit sad that we didn't win any matches but we still had plenty of fun!

In between the matches it turned into a tea party because everyone brought snacks to have and we enjoyed that part because we liked spending time with our friends. 😊

The first match we played was against The Grange A team and we lost but it was only our first and we were a bit dodgy! The next match was against Wilshere-Dacre we lost but we don't care because we took part and that's what counts! The 3rd match was really bad because one of their team mates was really good at batting!!

The final match was against Sandon and they had some strong batters who hit lots of 4s.

To conclude, Kwik-Cricket is a fun game and we enjoyed it very much.
