

### Year 4 Rapid Fire Cricket

Ten year 4 pupils enjoyed some friendly 'Rapid Fire Cricket' matches at St John's School, on Thursday 17<sup>th</sup> May. Rapid fire cricket involves pairs of batters hitting tennis balls off three tees and then running between two sets of stumps as many times as they can, before the fielders return the tennis balls to the tees and return behind the coned boundary.

The team played Sandon, Stonehill, St Thomas More, St Mary's and St John's. Although we didn't keep score, we enjoyed trying to beat the number of runs we scored as a team each match.
