

Year 6 Tag Rugby

This year, year 6 went to a Tag Rugby Festival in Letchworth - it was a non-scoring festival. We all played four games and there were 3 different teams for Hartsfield. We all either won, lost or drew against other teams; however, we mostly won. It was fun for all of us including the teachers and we really enjoyed it. 7 of us were on the pitch at a time with some subs on during each game. Thank you to Mrs Lawes, Mrs Berry and Mr Moss for organising the Hartsfield tag rugby teams going.
