

NEWSLETTER 14 20th June 2019

Staffing arrangements for September 2019:

Unbelievably it is that time of year again when we begin to look forward to the new academic year whilst in the midst of the busy last few weeks of the summer term. We have now organised our classes, locations and teachers as noted below. Teachers will be spending the next few weeks sharing information so that the transition between year groups is as smooth as possible. There will be an opportunity for the children to spend time in their new classrooms on our Transition day on 11th July and you will be able to 'meet the teacher' on 17th July when information will also be available on classroom routines.
