## Summary of Key Priorities *(related to overcoming challenges for pupils catching up on lost learning)*

|           |   |
|-----------|---|
| <b>A.</b> | Ensure that all children are thoroughly, appropriately and accurately baselined to identify gaps/learning needs and any support required for mental health. Provision to be mapped from this point and regularly reviewed to enable progress to be tracked. |
| <b>B.</b> | Approaches to learning which both champion the need to return to a regular pattern of work but take into account the emotional barriers and potential mental health impacts that home schooling may have had.   |
| <b>C.</b> | Rapid and sustained catch up that allows all children to access the curriculum for their new key stage/year group quickly, or whatever the appropriate curriculum for individuals with additional needs may be.   |

## Summary of Expected Outcomes

|           |   |
|-----------|---|
| <b>A.</b> | Children to relish the return to school, settling back into new routines and following behavioural expectations with immediate effect. EYFS children will settle quickly into their new setting.  |
| <b>B.</b> | By end of Autumn term children should, with quality first teaching and support where required, have regained academic confidence to resume their learning at their expected key stage/level. Any children identified as not meeting this expectation are further targeted for intervention.   |
| <b>C.</b> | Children in Year 1/2/4 and 6 who will be expected to undertake formalised assessment over the year to have the support to close any gaps that have occurred to ensure they are ready to approach their testing with confidence. The school aims over the course of the year, with additional support, to be able to guide the children to a point where outcomes are broadly in line with previous years. |

## Summary of Catch-up Strategy

Regular feedback to parents. Start on 7.9.20 with a week of part time then moving straight onto part-time. Additional staff allocated (5 x am sessions) | EYFS  | This will have a significant impact on the mental health of the children and make them feel more comfortable and familiar with their new setting to enable successful transition. Staff build trusting and respectful relationships with children quickly to enable successful learning. | EYFS team<br>HT | Learning walks, tracking attendance and discussions with staff to ensure every child has settled into school quickly.
