**What We Did & What We Learnt:**

## Crazy Critters

- We looked at real life bugs in acetate/resin and fun facts about each species
- We looked at insects (6 legs), Arachnids (8 legs) & centipedes
- We looked at the life cycle of the Ant and insect organisation
- We looked at Termites and how their anatomy differs depending on its job in the colony
- We looked at Termites as master builders and farmers
- We constructed our own termite mound as a team, looking at the most stable structure and ventilation!
