

Paralympic Legacy Event

On Wednesday 20th of September, Year Six went to KTS for a Paralympic Legacy Sports Event. They had a choice of 10-15 sports or activities to try. Not all of these sports were new to everyone like table tennis, dance or netball. Even if the players hadn't played before, they were still enthusiastic.

One sport was wheelchair basketball. This sport wasn't entirely new to everybody but it looked really fun for the players. There was also sitting volley ball - it was just like watching a large table tennis match, but sitting down must have hurt their bottoms! Then it was netball, which looked VERY tiring. Handball was just AWESOME!

Other activities included:

Dance

Design and create

Boccia

Everybody had a great time and it was great to be able to explore Knights Templar School.

By Jacob Richardson and Benji Jones.
