

This is a busy half term with lots of activities, trips and events so please keep checking your emails regularly.

Assessment update- Year 2 have now completed their end of KS1 assessments, Year 1 are completing their phonics screening tests, and Year 4 their multiplication table checks, this week. All children appear to have taken these National assessments in their stride and we are really proud of their hard work and positive attitude to learning. All teachers are currently assessing to inform future teaching and learning and results will be reflected in the upcoming annual reports.
