

## Hartsfield Planned Trips & Activities 2023 / 2024

Below is information on the approximate costs for trips and activities for the year ahead. We have produced this to enable our families to plan and budget. Please be assured that we always seek to gain the best prices/ discounts when arranging activities and trips and that they are chosen to support the children's learning and wellbeing and clearly linked to the curriculum. Thank you for your support regarding these trips/activities- your contributions enable us to run them.

In addition to those noted below there will also be several additional 'no-cost' activities/trips and curriculum weeks along with a range of other activities that we fund or are supported by money raised by The Friends of Hartsfield School and any relevant grants we can secure. We also get 'out and about' in the local community with local walks and activities.

We are able to offer financial support to those families in financial hardship and whose children are therefore in receipt of the 'Pupil Premium Grant'. Please contact Ms Donna Munson, School Business Manager, if you wish to discuss additional support in confidence. Please note that the residential trip payments can be spread over several payments over several months and, if you wish, over more than one academic year- please contact Ms Donna Munson to arrange a payment plan.

	Autumn	Approx. £	Spring	Approx. £	Summer	Approx.£
