

Assessment update- We have now received all our statutory assessment results. We are really pleased that all children worked hard across all years and that the results reflect that. Although we are awaiting some key National data, the current results are on the website:

Year 6 Goodbyes- Our current Year 6 children are days away from moving on. We know they are ready and we wish them all continued success at secondary school. They started at Hartsfield the same day as I did and so we have shared the journey together. Thank you to the Year 6 parents who are also moving on, many of which have been extremely active in the FHSA (thank you particularly to Nicki Gough and Emma Weaver) and may be crying more than their children on Friday!

Staff Goodbyes: As noted previously, Mrs Wilsher (EYFS TA) is off to 'pastures new'. Mrs Georgeou (Midday supervisor) is also leaving as she will be moving out of the area in the next few months and we wish her and her family well.

Summer site works- over the summer we will be completing the final patch of artificial grass around the outdoor classroom and installing a low level climbing wall. The steps between the upper and lower playgrounds are being repaired. Less visible but very important is that a new broadband connection, recently installed to dramatically increase download/upload speeds across the school, will become active. We will also be moving fully onto the Cloud.

As we approach the end of term, I want to thank the Hartsfield Community-parents, staff and governors- for their support this academic year. It is never taken for granted and always greatly appreciated and truly benefits the children at Hartsfield.
