

Netball festival

The netball festival held at St Francis' school went very smoothly. We played Sandon school first and they scored 1 goal when we scored four. The boy marking me kept running to tire me out when the ball was on the other side of the court! I was goalkeeper and didn't need to do much because the ball didn't go there! The next match was against the Grange (6-0 to us) and then St Francis' (3-1 to us). The last match was against Pixmore where we scored 4 and they scored 0 goals.

Everyone played amazingly, and enjoyed the event so a huge well done to all who took part.
