

## School Games Cricket tournament - 2024

On 21st May, nine lucky people were able to go to a cricket tournament at Hitchin cricket club and were ready to win.

Our first game was really fun. We fielded first and did well, even getting a few wickets on the way. We were congratulating each other, and the other team only got 76 runs. Our batting was even better though! We smashed the ball miles and got a ton of fours, making us get 80 runs, and win the game.

In the second game, we played very well. Even though we drew, we all put a lot of effort into the match - with Sadie managing to get a six. We hit countless wickets and overall played brilliantly.

In our third game, we didn't do as well as before. Our bowling was amazing even though they got a few runs. We fielded loads of balls, and they only got 89 runs. When we were batting we got loads of fours, but their bowling was too good. Sadly we lost 60 runs to 89.

Overall, we had a fantastic time even though it started pouring down on us at the end.
