

District Athletics June 2024

Hartsfield attended the North Herts School Sports Partnership large schools athletics event on Wednesday 26th June. We travelled by coach to Ridlins athletics stadium in Stevenage and took part in a variety of events. They were: 600m, 70m sprint, relay, shot put, cricket ball throw, standing long jump and speed bounce.

Both our boys' and girls' teams did well with some outstanding performances from individuals. Our boys team came 5th out of 9 schools and our girls team brought back silver medals coming 2nd out of 9 schools.
