

## **Year 5 Boccia**

On the 14<sup>th</sup> February, Hartsfield took part in a Boccia Festival hosted by the North Herts Sports Partnership at Knights Templar School. We invited 4 of our year 5 children to take part in this event. This event hosted a range of boccia games competing against different schools.

We finished this event off with an awards ceremony to give out certificates for excellent play, and to children that displayed different sporting values like respect and fair play. All our children walked away from the event with a certificate!! We loved this event and had so much fun competing against other schools.

Here are our children that took part in this event and received a certificate for their excellence.
