

Year 5 Hockey

On the 26th March, Hartsfield entered a hockey festival and tournament in the morning and afternoon which was held at Blue Harts Hockey Club in Hitchin. We had prepared for this hockey day for a while with lots of club practice at Hartsfield. Our day started with our festival participants doing a range of hockey skills led by some lovely KTS students that volunteered to help with this day. We then put these skills into a little friendly tournament.

In the afternoon, we had our competition participants. We were given a fixture list to play lots of different schools. We played in a round robin style tournament giving us points per win. This was a very hard competition landing us in 6th place out of 8 schools, but we tried so hard and never gave up.

Here is a list of our hard-working Hartsfield children who took part in this event and made all of Hartsfield proud.
