

Year 5-6 Girls and Boys Football

Hartsfield have hosted and been a part of many football tournaments and fixtures over these first 2 terms. We started off the year with our girls and boys A and B teams playing in a highly competitive tournament with winners leading on to represent in the county rounds. Two of our teams 1 boy and 1 girls team managed to find their way into 2nd place which was very impressive and made Hartsfield very proud. These tournaments were run on a round robin style tournament giving them points per win, draw and loss. We were very unfortunate to have placed 1 point behind 1st place in both our girls' and boys' tournament.

We had lots of our children taking part in these events throughout year 5 and 6. This was a very in demand year for our football as we managed to take just over 50 of our children to represent Hartsfield in either our tournaments or fixtures during the year against many different schools within Baldock, Hitchin and Letchworth.
