

Lab Tots Report Card

Session Venue & Time: Hartsfield JMI, Tuesdays

Lab Tots Term: Autumn Term 2018

Instructor: Sophia Mitchell

Session Dates: 29th Nov 2018

What We Did & What We Learnt:

Crazy Critters - Brilliant Bees

- We looked at the honey bee, its lifecycle and anatomy
- We discussed the importance of bees and their contribution to the planet and the roles they play within the hive
- We looked at electron microscope images of the bees anatomy
- We looked at certain types of pollen under a microscope
- We identified the bees wing, leg and antennae using our own microscopes
- We discussed how honey is made and sampled some!
- We looked at the roles bees play in pollination and we played the pollination game
- Upon successful pollination, we created our very own flower garden
