

Year 6 Tag Rugby

By Bradley, Anya and Annabelle

On Thursday 3rd October, we went to Letchworth Rugby Club and competed with other schools in a Tag Rugby Festival. Our school had around 30 year 6 pupils participate. We split into 3 teams. Each team played 5 other schools and each match lasted 8 minutes. Only 7 players per team could be on the pitch at once.

It was really fun (even for those who don't think they're 'sporty!'). We all really enjoyed it and used teamwork to power our way through. We all REALLY loved having lunch together and laughing together!
