

A decorative border of basketballs in various sizes and orientations surrounds the text. The largest basketball is in the top right corner, and the largest one is also in the bottom left corner. The border is composed of several basketballs of different sizes, some overlapping, set against a dark red background.

## Year 6 Basketball Tournament 24/10/24

In October, 4 boys and 4 girls were selected to take part in a basketball tournament at Fernhill School, Letchworth. There were 8 schools, including Hartsfield, Pixmore, Samuel Lucas and more.

It was lots of fun but sadly we came last. Samuel Lucas won the tournament and won the trophy. Even when we weren't playing, we enjoyed cheering on the other teams. We got to bring snacks and had breaks between our matches.

Midway through each match, a song would play and that meant that if you scored, it counted as double.

Overall, we enjoyed it and wish we could go again.
