

NEWSLETTER 8 12th June 2025

This is a busy half term with lots of activities, trips and events so please keep checking your emails regularly.

Music Week- Week commencing 23rd June we have several assemblies for parents of children who are learning an instrument. These will be low key events which give children an opportunity to perform to others. Email invites have been sent out to the relevant families.

FHSA Update

The recent INSET day Legoland tickets proved successful, and I hear all those that went had a great day. The next event is the Camp Out which is already sold out!!

Assessments

Year 6 completed their SATs tests before half term and Year 4 have now completed their Multiplication Tables Check Tests and Year 1 children their Phonics assessment. All children did their best and took the assessments in their stride. We will be sharing the results later this term. All teachers are currently assessing to inform future teaching and learning and this will be reflected in the upcoming annual reports due to be shared with parents in July.
